

**Hamlet of Gray  
Board Meeting  
October 16, 2024**

The regular meeting of the Hamlet of Gray was held on October 16, 2024 at the Gray Rink commencing at 7:00pm

Present: Todd Brunas, Mike Lapierre, Reid Mossing

Minutes adopted as read.

Old Business

- 1) Water and Sewer/Garbage and Recycling rates
  - Current rate for water of \$11 per 1000 gallons will stay the same
  - The yearly charge for garbage and recycling will increase to a combined \$300
- 2) Generator at pump house
  - Shorty's will provide annual checkups
  - Mike looked after the cement board purchase and installation
- 3) Dead trees at the school ground/hamlet properties
  - Has been completed

New Business

- 1) Fencing for Lagoon
  - Trevor Taylor knows a guy and has received a quote to complete this project
  - Motion: Todd made a motion that Trevor's friend will remove and install the 4 ft fence around the lagoon (2500 feet linear) for \$3500 with the hamlet supplying the materials (approx cost \$3000 not including a gate). Reid seconded. Carried.
- 2) School Property Rentals
  - Dave Cornelius is interested in renting some space (to put up some shelving in the center portion)
  - Motion: Todd made a motion that the hamlet will rent the space to Dave for \$100/mon with the condition that he cleans up the space
- 3) Individual Water Meters
  - No decision has been made regarding the purchase of the individual meters
  - Would like to get this done before winter
  - Mike will call a few other places and get some quotes

4) Septic Tanks

- Dave C and Julian are willing to look into getting some quotes and communicating the booking of this on behalf of the hamlet
- Brendan's sold his truck and no longer in business

5) Water on Streets

- Water is being held on the streets
- A grader came through not too long ago which seemed to help some for now
- Will look at ways to reduce this in the spring

Bills to be paid

- N/A

Meeting adjourned 8:00pm
